The Duties of the Board of Advisors

About The Service

1) Represent the Alumni Network (SOLARIS)

Make sure that the members of the Alumni Network get a good ROI and open opportunities for them that would have otherwise not been able to achieve (internships/scholarships/host initiatives etc.) to those who are well-deserving.

3) Financial Oversight of Funds

Ensure that the funds raised by the Alumni Network are well allocated to creating new opportunities and initiatives or boosting existing initiatives, responsibly. Report on how collected dues were spent to the Alumni Network, maintaining trust and transparency.

2) Cooperate with the Existing BoD & BOS

The BoA's invaluable advice and time is much more appreciated to steer the club in the right direction than monetary benefits alone. This includes participation in bi-monthly meetings for updates and progress of the club.

SOLARIS is all about giving such leaders the platform to suit the clubs needs while also helping donors receive a great ROI.
